ProFitness

Serious Equipment for Serious Training

Horizontal Leg Press

The ultra-smooth Linear Bearing movement on this machine allows lifters of all experience levels to safely work their lower body. The adjustable carriage adjusts to accommodate different height lifters. Additional features include an angled Head Pad, comfortable Gripping Handles, and a large Back Pad, all providing the comfort and stability needed to concentrate on your workout. The extra-wide footplate allows for a variety of foot positions.

Price: \$2,650.00
