Serious Equipment for Serious Training

## 35 Degree Hack Squat

Linear Bearings glide around oversized hardened shafting for ultra-smooth operation. The extra-large contoured footplate allows lifters to train with a variety of foot placements. The strong but lightweight carriage assembly, enables lifters of all strength levels ease of operation. Models also available in 45 Degree and 60 Degree Angles.

This Machine can be outfitted with Plate Storage Bars at no additional charge. Ask your Sales Rep for more information.

Price: \$1,625.00
